## District Communication Efforts

The following was accomplished in engagement during the 2016-2017 school year in support of the Washoe County School District's (WCSD) strategic plan. The Title I Department, the Department of Family-School Partnerships, and the Department of Child & Family Services worked in collaboration with the District's Council on Family Engagement to implement district-wide initiatives for family engagement which included:

- The Department of Child & Family Services partners with families in multiple ways including: parent workshops in developing literacy, parenting tools, information on how children are growing and changing in the pre-k year and information on the influences of technology and media on young children. Several large literacy, math and science events are also hosted throughout the year where families learn about resources and activities to support learning outside of the classroom.
- Title I funds and provides supports to Parent Involvement Facilitators hired at each of the district's Title I schools in order to provide families academic support and fulfill the vision of ESEA section 1118.
- Professional development on family engagement for Parent Involvement Facilitators, teachers and administrators through district programs such as Washoe Academy of School Leaders, Lead-Teach-Learn Administrator Meetings, Teal Tuesdays with Learning Strategists, in-services on family engagement for school staff and Saturday CAFEs with teachers.
- Tracked Parent Involvement Facilitator (PIF) and high school Family Graduation Advocate (FGA) academic contacts with families in Infinite Campus Student Information System to provide continuous improvement and focus the PIF and FGA positions on supporting families with their child's academic achievement. Improved this process so schools can now pull their own reports in the district's data warehouse.
- Nevada KIDS grant has provided specific support to numerous schools on family literacy including but not limited to: increased the number of school implementing Academic Parent Teacher Teams and the Parent Teacher Home Visit Project, provided families with information on literacy learning opportunities during winter and spring breaks, provided professional learning on family engagement tied to literacy with Learning Strategists during Teal Tuesdays.
- Continued the sixth year of the WCSD Parent University to provide more than 300 free classes to families focused on how to support a child's learning at home, how to understand data and your child's progress as well as support for college and

career readiness. Classes are taught in schools and community based locations and offer free childcare and interpretation.

- Parent University also offered two Family Access Days held at the University of Nevada, Reno in partnership with UNR and Truckee Meadows Community College. The Family Access Days provided families with an all-day Saturday workshop on the path to college from pre-k through high school. Student Support Services also held its first Family Summit for Special Education on a Saturday.
- All schools created a comprehensive plan for family engagement incorporated into the School Performance Plan as part of the district's School Performance Framework.
- Support is provided for the district's Council on Family Engagement, an advisory volunteer board that works in partnership with the district on WCSD's family engagement efforts. The Council makes recommendations to the Superintendent about best practices that should be implemented to support the board policy on family engagement.
- The WCSD COFE's Professional Development committee implemented 4 sessions of a 16-hour class on family engagement for teachers and other school personnel through Title II. Continued a district-wide Parent Climate Survey aligned with the student and staff survey.
- Continued the use of paper surveys to ensure that all parents had an equitable chance of providing input. Climate data is reported back to schools individually and is also used for district foundational goals.
- Supported the positive Parent Teacher Home Visit Program in 33 schools and Academic Parent Teacher Teams in 7 schools. The district is on-track to complete its goal of more than 2,400 positive home visits in WCSD this school year.

During the 2016-2017 year the WCSD started a pilot program at three middle schools in the utilization of Restorative Practices. Additionally, all district schools were availed the opportunity to receive training in Restorative Practices at monthly district administration meetings. Plans are being reviewed to set forth a program to implement restorative practices through all district schools in conjunction with Positive Behavior Interventions and Supports and Social Emotional Learning.

A bullying and cyberbullying resource manual was created to assist in the reporting investigation and support of these cases.

Mandatory training in Safe Schools, bullying and cyberbullying, harassment and Safe and Respectful Environments have been included in districtwide staff requirements.

## Summary of Standards-Based Test Performance

Nevada uses CRT (Criterion Referenced Test with the new NV Standards, also known as the Smarter Balanced) and EOC (End of Course Assessment) to measure student achievement relative to Nevada's academic standards. For grade specific assessment results and other assessment information, refer to [www.nevadareportcard.com](http://www.nevadareportcard.com).

ED = Percentage of students performing in the lowest range of achievement (Emergent/Developing)

AS = Percentage of students performing in the "Approaches Standards" range of achievement

MS = Percentage of students performing in the "Meets Standards" range of achievement

ES = Percentage of students performing in the highest range of achievement (Exceeds Standards)

Level 1 = The student has not met the achievement standard and needs substantial improvement to demonstrate the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school

Level 2 = The student has nearly met the achievement standard and may require further development to demonstrate the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school

Level 3 = The student has met the achievement standard and demonstrates progress toward mastery of the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school

Level 4 = The student has exceeded the achievement standard and demonstrates advanced progress toward mastery of the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school

Nevada uses CRT (Criterion Referenced Test with the new NV Standards, also known as the Smarter Balanced) and EOC (End of Course Assessment) to measure student achievement relative to Nevada's academic standards. For grade specific assessment results and other assessment information, refer to [www.nevadareportcard.com](http://www.nevadareportcard.com).

ED = Percentage of students performing in the lowest range of achievement (Emergent/Developing)

AS = Percentage of students performing in the "Approaches Standards" range of achievement

MS = Percentage of students performing in the "Meets Standards" range of achievement

ES = Percentage of students performing in the highest range of achievement (Exceeds Standards)

Level 1 = The student has not met the achievement standard and needs substantial improvement to demonstrate the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school

Level 2 = The student has nearly met the achievement standard and may require further development to demonstrate the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school

Level 3 = The student has met the achievement standard and demonstrates progress toward mastery of the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school

Level 4 = The student has exceeded the achievement standard and demonstrates advanced progress toward mastery of the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school
